MEMORANDUM FOR: CPP

SUBJECT : PSB Staff Meeting

1. The PSB Staff Meeting scheduled for Wednesday, 24 December, was cancelled.

25X1A 2. With regard to the question of a proposed panel on Yugoslavia, the following is the situation as it appears from our files. On 15 December [redacted] sent [redacted] a list of several new "planning assignments" which the Director of PSB proposed to the Board at its luncheon meeting on 11 December. [redacted] mentioned this at the 16 December Staff Meeting (see paragraph 7 of the minutes). It is my understanding that subsequent to the Staff Meeting [redacted] felt that a consideration of Third Force role in Yugoslavia would be of interest, and [redacted] added it to his reply to [redacted] listing possible new planning assignments. 25X1A

25X1A 3. [redacted] of PSB called [redacted]'s office and a meeting was arranged with [redacted] to brief [redacted] more fully on what [redacted] had in mind. 25X1A 25X1A
